An application is not an approval until reviewed and given approval in writing by the Board of Directors and/or Architectural Committee Chairman.

Approval is not an authorization unless and until all permits have been obtained from the City and all other jurisdictions required. All additions and/or modifications must be in compliance with the Association's CC&R's and Rules and Regulations.

Applicant agrees to indemnify and hold harmless the New Horizons South Bay Association ("Association") from any and all claims, demands or damages in connection with the proposed additions or modifications. Applicant agrees to indemnify the Association and its membership for any physical damage to the unit or common areas caused as a result of the proposed additions or modifications. Applicant warrants that a contractor holding a valid State Contractor's License will perform the additions or modifications to the unit and that applicant hereby accepts liability for the acts and omissions of the contractor, sub-contractor, and their agents. Applicant further warrants that he/she will give all notices and comply with all laws, ordinances, rules, regulations, and lawful orders of any public authority bearing on the proposed additions or modifications and will secure and pay for a building permit and all other permits and governmental fees, licenses, and inspections necessary for the proper execution and completion of the proposed additions or modifications. Applicant agrees to indemnify, hold harmless and bear all costs to the Association or its membership if the additions or modifications are made contrary to any applicable laws, statutes, ordinances, building codes or other governmental rules or regulations.

The undersigned further acknowledges that, if approval is granted, said approval is the aesthetic design component of the alteration; additions and/or modifications are not approval for engineering design. The undersigned further acknowledges that approval of additions and/or modifications is effective for the period of one (1) year; project must be completed within this time limit.

The undersigned acknowledges that no variance from the additions/modifications as described in this architectural application will be allowed unless an amended application is first submitted and approved.

This agreement and the rights and obligations provided hereunder shall insure to the benefit of and shall be binding upon the assigns, successors in interest, personal representatives, executors, administrators, estates, heirs, and legatees of each of the parties hereto.
